5. Readmission Policy

- ① Students who have been terminated or dismissed may apply for readmission only once within 10 years of the dismissal date. If dismissed due to accumulation of academic probation, students must wait for one semester before applying for readmission. **If students decline admission after the readmission interview, he/she will no longer be eligible for readmission.**
- ② Readmission is only possible if there are vacancies available. However,

students who have completed coursework or were admitted outside the regular quota will be selected outside the regular quota when readmitted.

- ③ Readmitted students can count the credits earned before dismissal towards their degree and must pay the reentrance fee in addition to tuition fees upon readmission.
- ④ Those dismissed for disciplinary reasons are not eligible for readmission.
